One More Way to  
**Love Your Neighbor**

## Living on the Edge

Explore obstacles confronting our neighbors living at the margins of society - having no place to live, no food and no money. Discover how others have done this.

**Then create a short film to share what you learn with your community.**

### What to bring?

Jesus said.....

Love your neighbor as I have loved you.

*How do we love our neighbors? Let us count the ways....  
Trusting, Feeding, Serving, Honoring, Walking with them all the way.*

If you are in Middle School and want to have a good time doing good...  
then the **Charles River Deanery Youth Collaborative** is for you!
